

## West Haven SEAHAWKS

---

Dear Friend and Supporter,

The Ray Tellier Midget Football League is entering into its 50<sup>th</sup> season of teaching West Haven boys and girls the fundamentals of football and cheerleading. The League (West Haven Seahawks) was founded in 1966 and enrolls over 300 boys and girls between the ages of 5-15 each fall season. We provide a structured athletic program teaching today's youth teamwork, responsibility, and leadership skills. Over the last few years our staff has coached both football and cheer teams to regional, state, and national competition levels. We are teaching our youth to be successful in competition and in life.

We are an all-volunteer program, whose coaches, mentors, and board members donate hundreds of hours a year. But, even volunteer organizations generate expenses in order to operate. This is why we are seeking community sponsors for our youth football and cheerleading program. **We need your help!**

Our goal is to ensure every child that wants to participate can afford to. Through community support and fundraising programs we maintain one of the lowest registration fees in the area. Your sponsorship and support does that.

Attached are our sponsorship levels, but please, do not hesitate to donate anything you can.

The Ray Tellier Midget Football League of West Haven, Inc. is a 501(c)(3) non-profit organization.

Please complete the attached application by *July 15, 2016* and attach a business card or logo if applicable. Please submit sponsorships to Bridgette Hoskie, 680 3<sup>rd</sup> Ave, Unit 7, West Haven, CT 06516 or email to [whseahawk1@aol.com](mailto:whseahawk1@aol.com)

Thank you for your continued support!

Sincerely,

Mike Last  
President  
203-932-4177
